Thanks Beth,

I guess the title block would Allied Landfill Proposed Plan. Is this what you were wondering? Let's not add those figures. I think Becky told me to only have a figure of the proposed alternative.

Subject: Proposed Plan Figures

Michael,

I have gone through the proposed plan and made list of figures based on the order presented. I have a couple questions before I have our editors renumber the figures.

- Are there specific titles or title blocks that you want for the proposed plan? If we modify, we would need to add a reference to the original source.
- There are figures included for Alternatives 2A, 2B/2C and the cap construction, but no figures shown for Alternatives 3 and 4. The text identifies that the extents of excavation are the same as Alternative 2. Do we want to add figures to show there is only excavation for Alternative 3 and no landfill on Monarch in Alternative 4?

Thanks,

Beth Rohde, PE
